(DAVID KALILANI)

Pa nkhani za kuthupi timazisamala
Kugona ndi njala kuti tigule zovala
Atsikana amakonda kumapha ulusi
They never apply that make up loosely
Magaye ku gym six pack Bruce Lee
Nsapato zokhazo school fees yachaka
Koma muuzimu magaye timaplaka
Sitivala gear we so unaware
Timayenda on the narrow path tili bare
Aefeso 6 sitivala ma kicks
The armour of God is so incomplete
Unless you preach the gospel _beautiful feet
Ma gaye ambiri muuzimu ama blunder
Samavala armour amayenda mbulanda
Pankhani yolalika yesu sindifatsa
Akapanda kulandira mapazi ndimatsatsa.

4. THE MESSAGE LYRICS

Intro Pastor Chris speaks

(Tiya Joan)

Matthew 28 check the mission statement
Put it on my heart coz I know you gave me
Passion for their souls and I know you saying
Tell it to the world wanna see em saved and
Manifest the evidence of Christ lives changed
Do I really preach your life in the choices that I make?
On my own I don't have what it takes
So I'm hanging on to every single word that you say
And I'm learning to be built as a soldier in the faith
You will strengthen me even when I am lonely
I'm speaking like somebody's life depends on it
That is why I never stop I put my pen on it
They can never take my zeal I can't tonne it down
Gave me purpose and a passion
Learning to be anchored
Learn your word by heart and live it- live it out like I'm supposed to
Tell it to the whole world to approach you
Coz eternal life is to know you.

Mi nuh wah dem dead.

A nuff life fi dem, Jesus fi dem mi a go fi dem*2

Verse 2 (TNO)

Some of them are dead, I don't have to rap it in patwa

For you to get the message I don't have to go that far

I just wanna leave a message for the people that got a minute to play the lyrics back and get
what the facts are

The truth is that we are living in the last days

And everybody don't wanna end in the bad place

And everybody sinning when they got grace

You know how that makes you really get a bad case

Should we sin more so grace abounds? No!

How about a little of this and that? No!

It won't even have to take a minute man, No!

If you die in your sin, there is no remedy for your soul

I am telling them all somebody gonna die

If we don't preach the gospel you and i

If we don't preach to them that's suicide

Coz we're living for the king and if we're not then we dying

Straight up!

Verse 3 (Kev).

Tikakhala chete ayankhula ndani
