

B2 ARMY - AM ON MY WAY

Song lyrics

Verse 1 : Jalliez

To my destination is where I go
You set traps but I won't fall
You're trying I'm standing still
I've got a huge mission I need to fulfill
I know one day I will shine
Everything on my side will be fine
Its only God I rely on
I'm brave and stronger i'm just like a lion
God send me to do his good work
No matter what you want to do it won't work
The wall in front of me i'll break it, i'll make it
No matter the distance I still gonna make it
Am on my way to heaven
I don't have time to feel stressed
Am on my way to heaven
Lord guide I n I amen

Chorus

Just like a rainbow, one day I'll shine This isn't my
destiny nobody can stop me
Am on my way X2
I never give up, Am on my way
Just like a rainbow, one day I'll shine
This isn't my destiny nobody can stop me
Am on my way X2
Heaven my destiny, Am on my way
